

GATE CONSOLE TABLE

SKU: INSP-CO900

The Gate Collection combines pared down traditional elements with natural dry finishes for a fresh, casual sophistication. Inspirations were drawn from vintage pieces of British Campaign furniture and royal French style. Distinctive Knotty Elm veneers are enhanced with generous contrasting bands of darker wood. The earthy finishes easily combine brown and gray hues that evoke the natural look raw or aged wood. Surfaces are wire-brushed for an invitingly textural feel. Each finish is accented with Antiqued Bronze hardware.
